#### [Notes]

##### [Regarding bidding]

- Most of the exhibited products are consignment products. Authenticity cannot be guaranteed. (In the consignment exhibition, we do not select the products to be exhibited. Please judge the photos based on your own experience and connoisseur and bid accordingly.)
  - Because it is an antique, we will write the year and author on the product itself, but please bid based on your own judgment regarding the year and author. If you are not satisfied, please refrain from bidding.
  - Please carefully consider the item before bidding.
  - We do not accept any returns. If payment cannot be made within the period, the order will be canceled due to the convenience of the highest bidder. I will refuse the bid of those who cannot keep the promise.
  - \* Please understand that in the case of cancellation due to the highest bidder's convenience, the customer will automatically receive a bad evaluation. Please understand that you will not be able to bid on any of our other exhibited products if you cancel for your own convenience.
  - If you are new or have many bad evaluations, we may refuse to bid at our discretion. Thank you for your understanding. If you wish to bid with a new ID, please be sure to let us know from the question column.
  - Bids without intention to purchase or mischievous bids will be reported to public institutions as they constitute fraudulent business obstruction.
  - As there are many successful bidders who do not wish to be evaluated, we do not conduct evaluations. We will evaluate only when we receive evaluation from the highest bidder.
- In addition, please note that it may take several days to reply to the evaluation.

##### [Regarding the condition of the product]

- Regarding period products, there may be errors in individual opinions. Please refer to the photos and bid after understanding.
- Due to the nature of antiques, there may be scratches over time, tiny scratches, cloudy glaze, etc.  
Other than obvious artificial damage, etc., it is described as no scratches based on this subjectivity.  
There are differences of opinion regarding kiln scratches, natural intrusion, and glaze shrinkage.
- Although flaws, repairs, etc. will be strictly checked, they will not be marked unless they are clearly artificial.
- There may be exceptions where the writing on the box is different to make the work easier to understand.
- Accessories (boxes, bookmarks, cloth, etc.) may also have stains.
- Some differences may occur between the color of the photograph and the actual item due to the shooting equipment and monitor.

\* We are trying to post as many pictures as possible, so please check carefully.

If you have any questions even after looking at the photos, please ask before bidding.

##### [Regarding exhibited products]

Most of the exhibited products in our shop are consignment exhibited products. For consignment listings, you do not select the products to be exhibited. There are many old ones and many new ones. I will not judge and display that side. Please use your own experience and connoisseur to make a bid that you will not regret.

Please note that the listing may be terminated early or withdrawn at the request of the consignor.

Seller will ship the item to JAUCE warehouses and JAUCE will ship to the buyer internationally.
