Antique 18th Century Japanese Netsuke of Chajin or Tea Master

Very cool early genuine antique netsuke in what I believe to be ebony of a tea master who has fallen asleep at his tea grinding mill, or hand and smiling as he blissfully dreams. Heavy material shows natural wood grain. Several nicks and small chips as is expected in a piece. Large himotoshi underneath

Bookmark my auctions for more netsuke to follow. Thanks and Good Luck!

Shipping within the continental 48 United States only.
