Negoro Lacquer Karako with Shishimai  
 Karako with Shishimai mask Negoro Lacquer The term generally applies to lacquerware with a red surface on top of a black lacquer undercoat. The red lacquer wears away gradually after prolonged use, thereby producing this mellow matte surface that is so greatly admired.  
 Unsigned.  
 Size: 42mm Wide- 40mm High.  
**SOLD**  
 Code : 021

 Good quality wood mask of okame, good size mask.  
 Size: 57mm High.  
**SOLD**  
 Code : 060

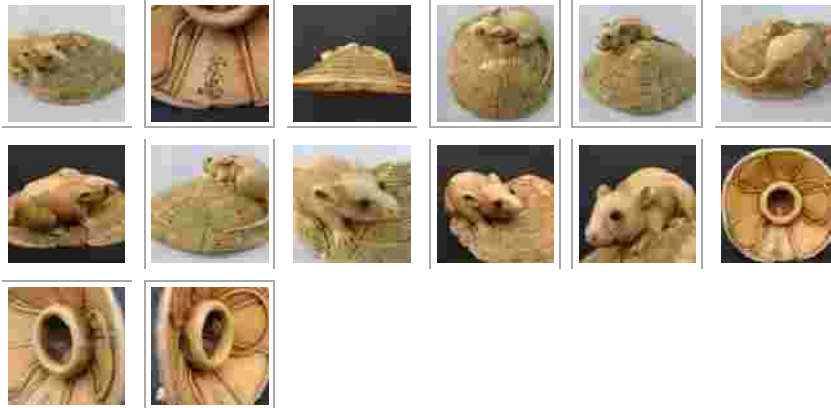

Large rare bone ryusa manju of karakos on koro, signed Toshimitsu.  
 This is a super Ryusa style manju netsuke. It is very well carved with 3 karakos playing around a large koro with the smoke forming the design. This is the best carving on bone I have come across. late 18c early 19th.  
**SOLD**  
 Size 49mm high 45mm wide and 24mm thick.  
 Code : 069

Rare and fine netsuke of a rat on coolie signed Tomotada. This rare subject is of a very fine quality. The rat has large inlaid horn eyes, signed on the bottom Tomotada. The hat looks like it is chipped on the rim near the signature, but its the design on the coolie. Himotoshi is through the holes in the head band.  
Size 26mm High – 42mm Wide.  
Code : 080  
**SOLD**

Super ivory netsuke of a karako with a mask Signed Masachika. Very nice ivory netsuke of a small karako wearing one mask with another on his knee. Good compact design with some good detail underneath where it is signed Masachika . mild wear and good patina.  
Code : 084  
**SOLD**
